Professional Summary

Frontend Developer with 3 years of hands-on experience in building responsive, user-friendly, and high-performance web applications. Highly skilled in React.js, Next.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, and Material UI. Experienced in converting Figma designs into pixel-perfect, responsive UIs, optimizing frontend performance, and integrating with APIs. Strong understanding of state management using Redux Toolkit and modern frontend development practices. Familiar with backend technologies (Node.js, Express.js, MongoDB) to ensure seamless frontend-backend integration. Committed to writing clean, maintainable code and delivering exceptional user experiences through collaboration and attention to detail.

TECHNICAL SKILLS
Frontend
- React.js, Next.js 14, JavaScript (ES6+), TypeScript (Basic), Redux Toolkit
- HTML5, CSS3, Tailwind CSS, Material UI, Responsive Design
- Figma to Frontend Conversion, Component-Driven Development

DevOps / Deployment
- Vercel, Render, Netlify, GitHub Pages, Hostinger

Tools & Platforms
- Git, GitHub, VS Code, Postman, Thunder Client
